---

It has been rather wet, hasn't it?! It has not stopped us enjoying the outdoors. Walking, playing in the garden and breathing in fresh air. We do play indoors of course, and each day around mid afternoon we will

have 2 or 3 little ones having a little sleep in the quiet corner on the cosy cushions snuggled into soft fleece blankets. We are guided by your child and if you are happy for them to have a snooze then of course we give them the opportunity. When we have children sleeping, we can still play outdoors in the garden as we always have enough staff to have staff inside and out.

Over the last month we have been up to the monument. Whilst out and about we looked for dinosaur footprints! We looked for fossils and we found a few small ones. We used the magnifying glasses to look at them, we felt the texture and then we did some drawing. We discussed dinosaurs at preschool, and we played games that involved dinosaurs.

We have been talking about 'making friendships'. We have a lovely group of kind and caring children, and they all have the ability to make new friendships. We made a friendship wreath, the children are very proud of their work, it is bright, creative and beautiful.

We now have deposits paid for 2026! Yep, you read that right! If you are thinking of your child joining us, then let us know sooner rather than later. With government funding in place for many now, spaces are harder to find across the county. We accept children from the date of their 2<sup>nd</sup> birthday. As always, you can check us out on our Facebook page or visit [www.northnibleypreschool.co.uk](http://www.northnibleypreschool.co.uk)

Have a great month...

## Forthcoming Events

Sat 30<sup>th</sup> November - 'The Ghost of a Smile'

*Two ghost stories from the pen of Charles Dickens with a comic twist. Tales with a tingle, but also a giggle! Two yarns to chill and charm! A traveller encounters a ghostly chair, and in a deserted Edinburgh carriage works, a tipsy reveller is spirited away by... well spirits! Like 'The Woman in Black' — but funnier and with fewer people!*

# HALL & PRE-SCHOOL

Val, Lorraine and Maggie entertained us with their travels in Japan last February, with added input from Alistair and Jonathan, and some very interesting examples of Japanese items from Alistair.

This was supported by some very good pictures from quieter places, as well as Tokyo, Kyoto and Hiroshima, which provided a more balanced picture of Japan and how respectful the people were. Highlights were staying in a temple and visiting the Peace Park at Hiroshima which was food for thought. Bullet trains and towers contrasted with quiet streets in the rain and small cafes. There was so much to see that there wasn't time for everything so we shall have the second half of the pictures at our meeting on 13th January 2025.

At our meeting on 11th November, Arthur Ball will present 'Panama - a Wildlife Adventure'.

Our Christmas Meal will be on 9<sup>th</sup> December in the Village Hall when we join the Monday Lunch Club. More details next time, but anyone wishing to join us please ring me.

We would welcome any new members who would like to come and join us. We meet at 2.30pm in the Village Hall.
